DEDICATION – MAX AND MARJORIE RANDALL

(D.H.S. CLASSES OF 1934 & 1937)

We can only imagine what a job it was to start the first reunion. The difficulty of gathering all the facts and figures that were needed to start the process. Then to have to go at it a second time when all the wrong addressed letter started returning back to them to try and find a correct address. It's a process that all of the committees since then are faced with each reunion, but just imagine that first time when they didn't know what to expect. Imagine the hours of running all over to shore up the arrangements and work with all the people involved. Max and Marjorie must have had a few sleepless nights, when they wondered just how

they were going to get it all done. From their labors of that first reunion, all of the following committees has had something to build on, something to equal or to try to do better as the years went by. And Marjorie continued their good works over the next twenty five plus years and five reunions.

For their tenacity and patience, we-the alumni of Dana High School -salute them, and thank them.

DEDICATION – CLARABELL BEARD MISHLER
(D.H.S. CLASS OF 1939)

For the last five straight reunions, and twenty plus years, you have labored for the "memories" of Dana High School. You have given all those tiring hours to keeping alive the good times and bad times that we had as we went through all those years from the grades to graduation. Over those years, you have spent countless hours keeping track of facts, figures, monies, and people, to the point of exasperation at times....yet you kept on "keeping on" ! You have kept a kindred spirit and have persevered at the cost of much at times. Yet your personal best has kept everyone in the committees that you have worked with, running as smooth and enjoyable as possible with the job at hand. Your love of your school days, has showed in your attempt to keep those good memories alive as long as possible in others.

As "alumni of Dana", we're very proud, glad and thankful that the Beard sisters went to Dana High School.

History of the Dana High School Reunions

Before the Dana Centennial in 1974, Max and Marjorie Randall were asked to obtain addresses of the Dana High School Alumni for the purpose of inviting them to the celebration and possible holding a school reunion. A relatively complete record of all classes from 1898 to 1961 prompted them to compile a Dana High School Directory for any future reference. These were put in book form and sold for \$2.00 a copy.

Since that time, there has been much interest in class get-togethers and also concern for possibly holding another school reunion. Muriel Gosnell and Rachel Milligan insisted on Max and Marjorie to start the planning.

So, early in January 1981, a volunteer committee, consisting of Max and Marjorie Randall, Muriel Gosnell, Rachel Milligan and Carl Brown met at the Randall home and started formulating plans.

At the first meeting, the time and place were decided upon for a high school reunion - July 25 at the Dana Park, former site of the Dana School. At the second meeting, officers were chosen and plans continued. Officers were Max Randall-chairman, Marjorie Randall-secretary and Carl Brown-treasurer. Priscilla Wimsett was added to the general committee at this meeting. The name for the organization was to be "Dana High School Alumni Association". Also at this meeting, it was decided to rent a tent 40' x 100' to be put on the southeast corner of the park. The hours to be 9 A.M. to 6 P.M. - an all day affair with Darlene Reel, R.R. #3, Paris, Illinois as the caterer to serve a noon meal from 12 noon to 1:30 P.M., for \$5.25; to have a hospitality committee to serve coffee, iced tea and cookies all during the day; a meeting session to be at 2 P.M.; reservations for the meal to be returned to the committee by July 1 and a number to be given Darlene by July 13.

The treasurer opened an account at the First National Bank in Dana under the name of "Dana High School Alumni Association" and deposited \$64.50 from the sale of directory books since the 1974 Centennial.

The Randall's post office box in Dana was to be used for the Association's mail.

The First National Bank underwrote the cost of the tent, which was \$775.00 with the understanding that they would be reimbursed as much as possible.

The town board was contacted for permission to use the park on July 25.

Much time was spent on setting up a letter to be sent all alumni inviting them to the celebration. Rev. Everett White of Attica, Indiana who has a printing business at Mellott, Indiana, also a graduate of Dana High, offered to print the letters in purple ink and furnish envelopes, free of charge.

The committee started addressing envelopes on March 4, checking and double-checking addresses before stamping them. 600 stamps were purchased at 15 cents each.

On March 11, 577 letters were sent. In three days, we started getting some back with wrong addresses, which caused more checking.

After invitations were in the mail, the committee started selecting committees, which were:

- Registration committee - Co-chairmen Saralu Thomas and Myrtle Chambers, plus 14 other ladies on the committee.
- Hospitality committee - Shirley Aikman and Madelyn Saxton co-chairmen, plus 12 others and a table and chair committee with Mike Aikman and Phillip Overpeck as co-chairman plus ten other men on the committee.
- Reception committee was to be the general committee. The general chairman and secretary met with the co-chairman of each committee and presented them with their duties then turned it to them to proceed.

A letter from the general committee was sent to each committee member along with a list of the entire committee and their duties. Just as the Dana Community always responds, we had wonderful help and cooperation.

Barbara Foltz, photographer from Clinton, was contacted and she agreed to come from 11 A.M. to 3 P.M. and take any pictures wanted.

As reservations kept increasing, the committee decided that the 40' by 100' tent might be too small so a 20' section was added, bringing the cost of the tent rental to 910.00 plus insurance. The tent was valued at \$11,000. Lang Helt Insurance Agency provided liability insurance as his contribution to the event.

On July 8, Darlene Reel, the caterer met with the committee and discussed the meal. The menu was: fried chicken - 2 pieces each - potato salad, baked beans, sliced tomatoes, bread, butter, all kinds of sheet cakes, iced tea and coffee. She asked for four banquet tables along the south end of the tent with a break in the middle. A line to come in from each side to the break with the drinks there. One extra table was used for cakes, away from the other tables. Banquet tables were set up under the tent and all were seated to eat. Immediately following the meal, the table and chair committee took the tables down and set the chairs up in theater style for the 2 P.M. meeting.

By not having previous reunions to recognize 50-year classes, a picture was taken of the ones present from the classes from 1910 through 1919. They included Ecla Hunt, Lucille Pawley, Lena Adams, Gertrude Bonwell, Susie Henderson, and Orval Storr. Ecla Hunt, from the class of 1910, was the oldest one present, and was presented a flower arrangement in a stiff katy hat, made and presented by Priscilla Wimsett.

The business meeting was called to order by M.C. Max Randall. Boy Scout Troop # 477 from Dana presented the flag and led in the pledge to the flag. All sang America, led by Bob Randall, Gene Church, and Ed Church. Invocation was given by Priscilla Wimsett. Max gave the welcome followed by everyone singing the loyalty, led by Bob and Gene. Rachel Milligan gave a tribute to the teachers present and Rev. Everett White gave a memorial.

The following were recognized and thanked: Wesley Hall for being open and having greeters there. Also memorabilia to look over and the use of restrooms. The town for use of the park and the work they did on it and spraying the town. All committees and their wonderful help; the bank for underwriting cost of the tent; boy scout troop for presenting the colors; 49er's club for the welcome banner over main street and having two people present in the town house to greet anyone who might want to see the school pictures; fire department for washing main street; merchants for decorating their windows.

The other school song was sung, then Marjorie Randall gave the secretary report and Carl Brown, the treasurers report.

Under "The future of association" - it was agreed by the group to have another reunion in 3 years - the last Saturday in July 1984.

The names of 4 people who had been contacted previously were presented to the committee for the next reunion and by consent of all, were accepted. They were: Shirley Aikman, '58; Madelyn Saxton, '56; Don Haase, '48; and Raymond Parks, '40. That committee will elect own officers, even though they might select someone outside these four people, also decide on how to finance the next reunion.

Arthur Bonwell suggested a hat be passed for a collection and \$350 was received.

A few comments were made from those present. "Till We Meet Again" was sung to close the meeting after which much visiting and reminiscing was in order until 6 P.M.

The registration committee was in charge of everyone present signing a card with their name and the year they graduated, then signing a register, picking up meal tickets, giving out programs and selling directories.

417 people registered

252 graduates

347 were served meals

\$1763.25 was received in donations.

So many came early and stayed late. Some classes had meals and get-togethers that night and everyone seemed to have a wonderful time.

A lot of hours and hard work went into this day but I'm sure everyone, especially the general committee, enjoyed doing it and feel it was all very worthwhile.

Thanks to Gary Randall for this moment in history

Acknowledgments:

I would like to acknowledge the help that I had with doing this directory. First of all, to my wife Pat, who has to put up with me when I'm juggling family life and "directory life". I would like to thank our daughter Joyce Schonhardt for making my computer world about one third as difficult as I would make it, and for the hours and advice that she offered to help me. I would like to thank John Cheesewright & committee for all the help they gave me when I needed it. To Sue (Woodard) Eaton, for being available for any help that I need. And to God for good health after my surgery in January.
